

## Letter of Appreciation for Akash Chatla

Students,

As we wrap up the 2024–2025 school year, we're proud to celebrate our final Student of the Month.

This May, we are thrilled to recognize **Akash Chatla**, not only for his hard work this month but for the commitment, reliability and positivity he has brought to the food court throughout his entire college journey.

Akash, you have been an integral part of our team and your presence has had a lasting impact.

We've watched you grow over the years, and while we're incredibly proud of your achievements, we know we're going to miss you deeply.

It simply won't be the same without you! [Congratulations](#) on this well-earned recognition—and an even bigger [congratulations](#) on your graduation!

We wish you all the best as you take on the next exciting chapter of your life. Here's to you and the entire Class of 2025!
